Resurrection Prayer

**Lord, today we're
hanging out with
the fishermen.**

**Sitting in the
boat, waiting,
waiting, waiting,
for the fish to
bite.**

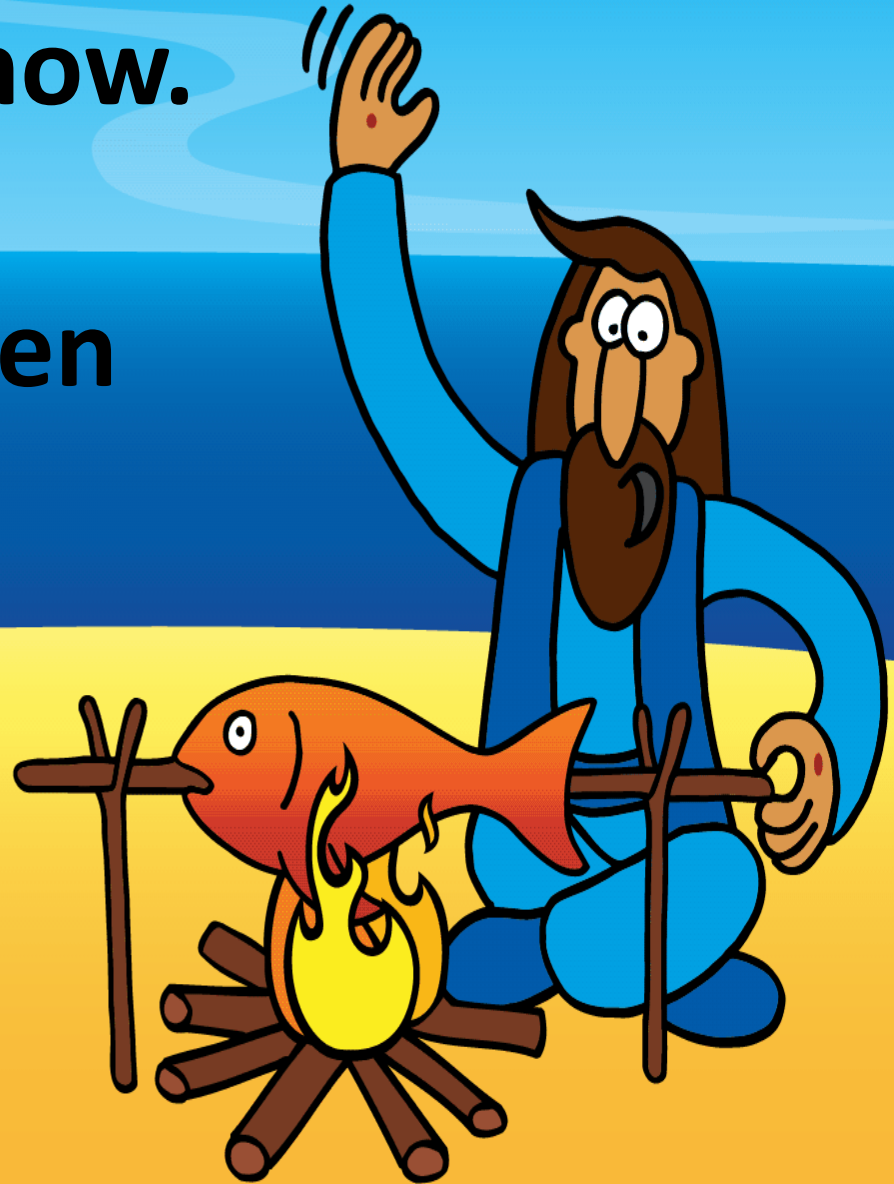

**We think of how
you died.**

**We're perplexed,
you keep
appearing!**

**We don't know
what to do.**

**So we do the one
thing that we know.
Fishing.
And we can't even
catch a fish.**

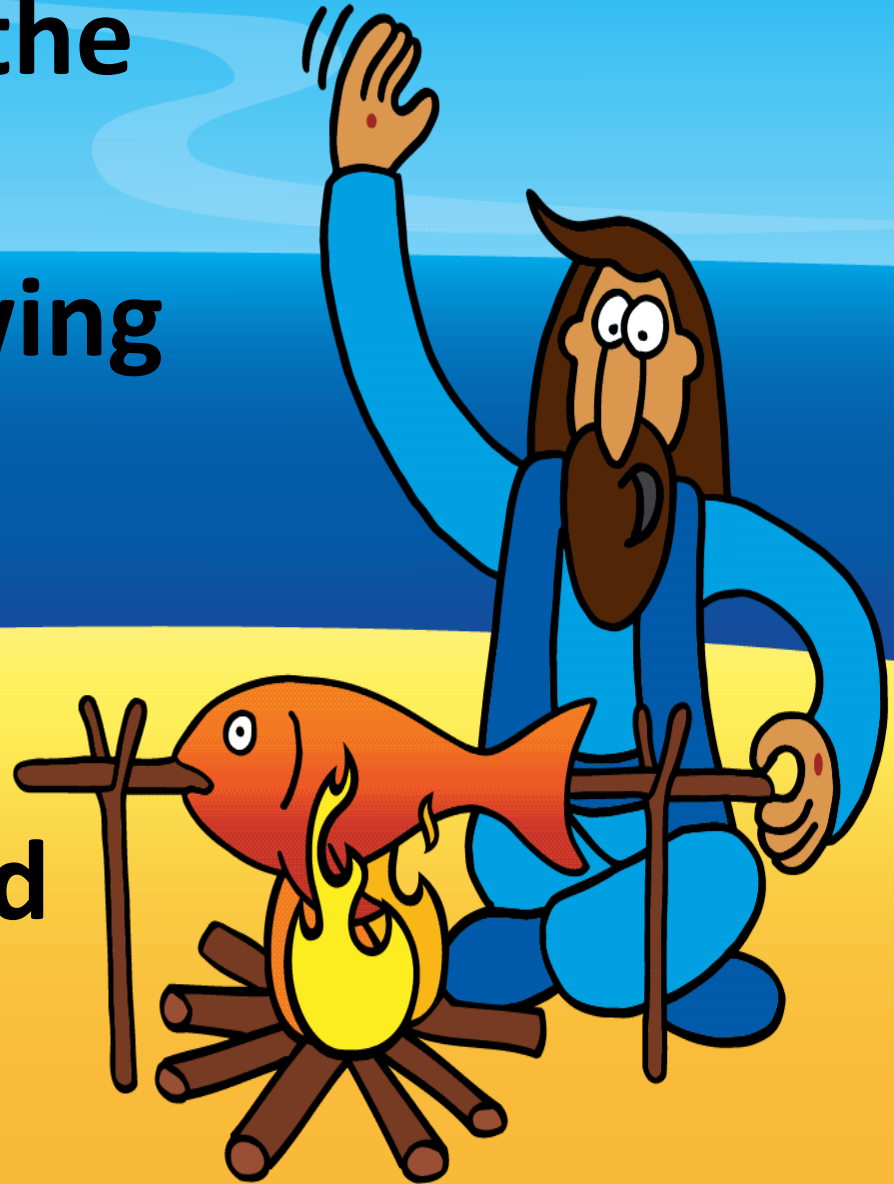

**We looked up, it was
you standing at the
water's edge.**

**Beckoning, showing
us what to do.**

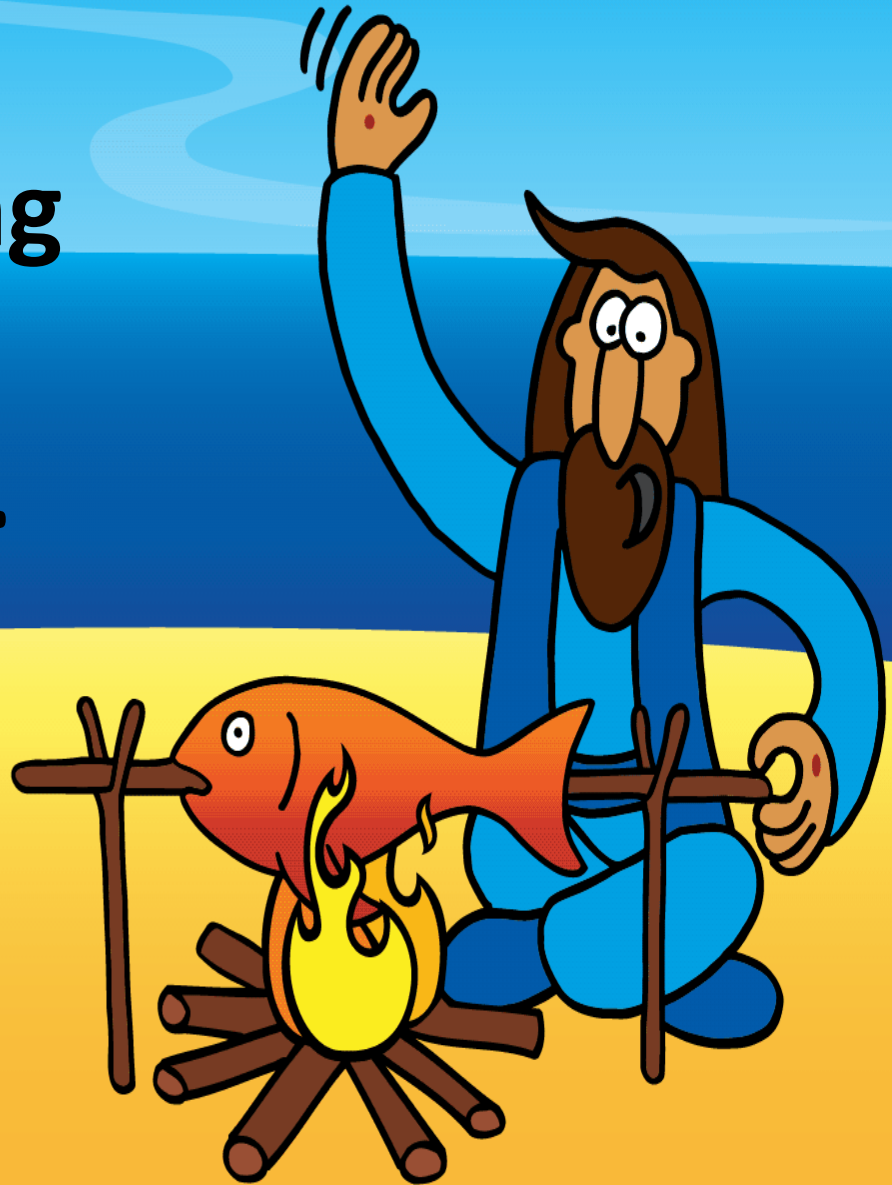

Fish!

**One hundred and
fifty three fish.**

**Now, we sit here,
warming by the
fire. We're eating
fish, you're
chewing on fish.**

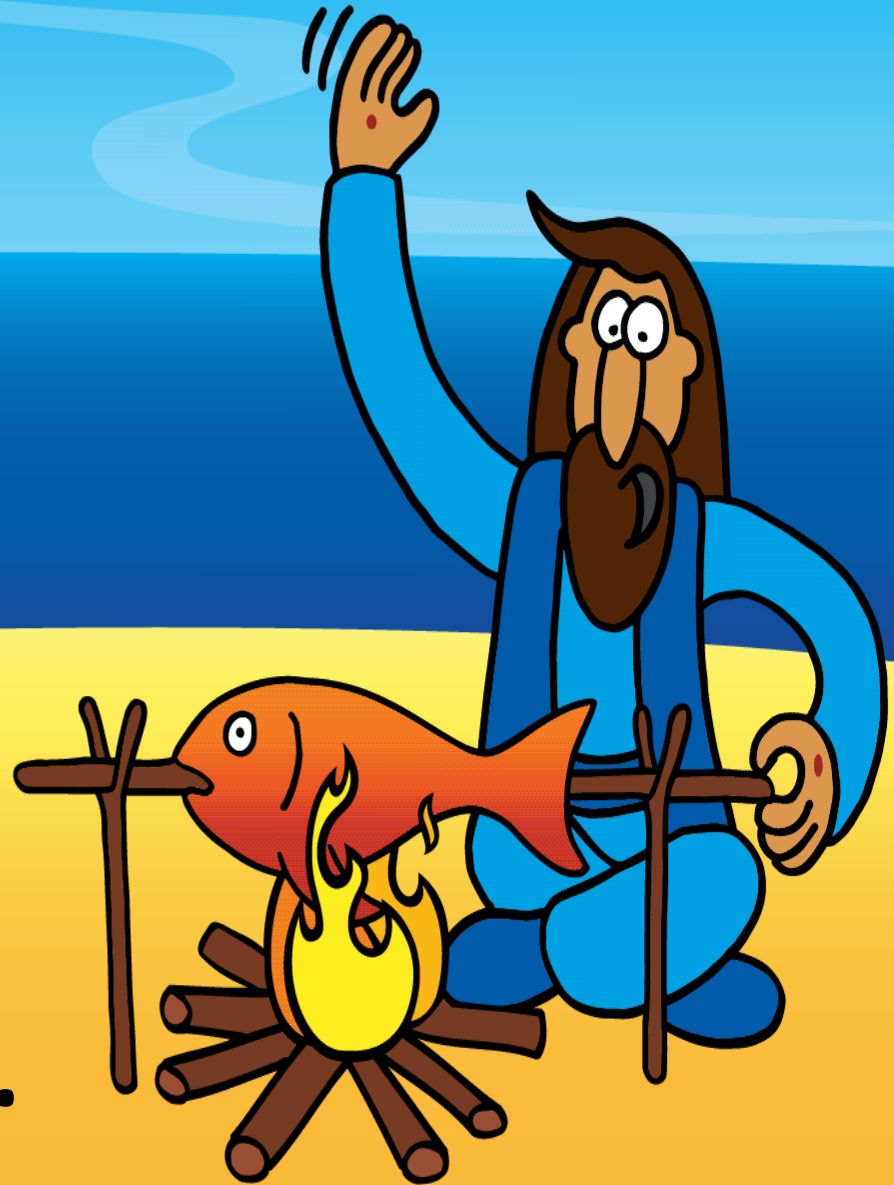

**Are we friends?
Are we
followers?**

**Then you ask, 'Do
you love me?'**

**It's not the
question we
expected.**

**Not a question
easily answered.**

**You ask again,
'Do you love me?'
You ask a third
time, 'Do you love
me?'**

**Who knows? You
know. You know
my heart.**

**Help us Lord
Jesus. Help us
know peace in
your forgiveness.**

**Help us to take
this step and
follow you.**

Nice one, Jesus

Words and music: Robin Mann

He's the cause
of Christmas Day
- nice one, Jesus;
slept where animals
eat their hay
- Jesus number one.

Shepherds heard the
angels' joy
-nice one Jesus:
Peace will come
through this one boy
-Jesus number one.

Wise men came from
far away

- nice one, Jesus;
following a star they
say

- Jesus number one.

Gave him gifts of great
expense

- nice one, Jesus;
gold and myrrh and
frankincense
- Jesus number one.

Nana, Nana,
nana nah!

Nana, Nana,
nana nah!

What was wrong he
made all right
- nice one, Jesus;
turned our blindness
into sight
- Jesus number one.

Filled the hungry with
his bread
-nice one, Jesus;
and he even raised the
dead
- Jesus number one.

He said we should
worry less

-nice one, Jesus;

Life is more than we
possess

- Jesus number one.

'Look at birds and
flowers too

-nice one, Jesus;

God will care the same
for you'

- Jesus number one.

Nana, Nana,
nana nah!

Nana, Nana,
nana nah!

He was led from
Nazareth
- nice one, Jesus;
to the cross and into
death
- Jesus number one.

Fixed a broken world
that way
- nice one, Jesus;
lost his life but won the
day
- Jesus number one.

Naturally God made
him rise

-nice one, Jesus;
even so we rubbed our
eyes

- Jesus number one.

And he's still alive and
well

-nice one, Jesus;
he'll be here for quite a
spell.

- Jesus number one.

Nana, Nana,
nana nah!

Nana, Nana,
nana nah!
