Messy Church Today - share Messy Church at home today: the families have received resources for activities and worship, including songs. At the *March Messy Church*, most people planted seeds. Let us know if your seeds came up for Easter. Jeni has some sweet peas!

We acknowledge the Traditional Owners of the lands and waters of the region, and pay our respects to their Elders.

EASTER WORSHIP AT SHEPPARTON UNITING CHURCH

By Wednesday there had been over 2,200 hits on our Facebook page, looking at the service led by Loni. Far fewer on Good Friday - that's a day many miss church.

CONGRATULATIONS, MARGARET!

Margaret Feldtmann starred in a segment of Catalyst (ABCTV) on Tuesday, explaining to Prof Clare Collins the science involved in preserving fruit. This was checked on an industrial scale at SPC. Splendid! See it on iView!

THANK YOU!

A big thank you to all those who have worked so hard to bring the Easter messages to us all. Our three ministers, Rosalie, Loni and Joan, have prepared and brought us the services and reflections for Holy Week. Joan McRae and Shirley Marven have spent many hours making sure that everyone is able to receive the services and NEWS online or delivered. Melissa Graham and Jen Shields for keeping our Facebook and Website up to date and Cameron Shields for all our worship recordings. You have all done a wonderful job to help us all stay connected.
